Welcome to NERIM-Your Academic Home "A Home Beyond Your Home"

What we strongly believe in and practice at **NERIM** is quality education with the proper blend of skills and human values. Here at **NERIM**, individual attention and mentoring are the prime focus areas that nurture our students under the umbrella of affectionate care and sharp mentoring. In this process, we shape personality, inculcate the right kind of attitude towards life, value for time and hard work, instill in them smart thinking and respect for human values.

NERIM is self-explanatory in itself where:

N-Very affectionately speaks about the **NURTURING** and care extended to students.

E -Proudly stands for the **EDUCATION** that the students experience at **NERIM**.

R-Talks about the **RIGOROUS** training in concepts, skills, and values

I -Instills the **INSPIRATION** to win against odds.

M- Creates the emotional bond of **MENTORING** and **MONITORING** that goes from attendance to academic performance up to final placements.

This is the reason that **NERIM** is more than an institute; it is an 'Academic Home' for the students.

This

academic home has developed a culture where regular attendance is demanded from the students, and where hard work becomes the habit with joyful learning as the mantra. In this environment, while the students are led to excellence, success is bound to follow.

Come join our family to enjoy experiential learning and nurturance in an affectionately controlled Academic environment.

NERIM: An Overview

NERIM Group of Institutions is a group of colleges established in the year 1992 by the NERIM Educational Society to promote specialized professional education in the North Eastern Region of the Country. The Institution is affiliated to Dibrugarh University, Gauhati University and Assam Science and Technology University (ASTU) for its various courses. The Department of Education, Government of Assam initially extended its active support for the establishment of this institution with the intention to promote skill-based professional education in this part of the country.

NERIM Group of Institutions has come into existence with the prime objective of designing and formulating academic and professional need-based programme independently as well as in collaboration with other leading Management Institutes and Universities for

need-based imparting teaching and training to the young educated people in the skills that find ready employment in an era of high career uncertainty. The Institution is committed to contributing significantly towards the various needs of the cross-section of the society by producing trained young professionals in the fields of Management, Computer Science & IT, Education, Social Work, Applied Psychology, Teacher Education, Commerce, and Juridical Studies. The Institution is dedicated to imparting quality teaching and training to the future generation in skills that untie exclusive

avenues of employment opportunities and readiness amidst a high level of unemployment and career dilemma. Classroom lectures, group discussions, seminars, conferences, case studies, role play, management games, and moot court constitute the pedagogy at the NERIM Group of Institutions. Added to the curriculum, the NERIM Group of Institutions includes a mentoring system and regular personality & communication skill development sessions to help the students in grooming themselves as competent professionals. A personal touch with each and every student in a controlled academic environment, including day-to-day supervision of class attendance, constitutes an integral part of its academic administration.

ABOUT NERIM GROUP OF INSTITUTIONS

NERIM Group of Institutions, denominated far and wide as NERIM, was conceptualized in the year 1992 by a group of modern-day visionaries in education. It was with the collective and dedicated spirit of this group of learned academicians that NERIM came into existence on 16th February, 1992, with the sole vision and mission of imparting the youth of the North East region in disciplines of professional excellence, and so empowering them further with the strength to compete for prized vocations in national as well as global platforms.

The maiden voyage of this Institution was actualized with a few students enrolled in the Post Graduate Diploma in Management (PGDM) programme commencing from the academic session of July 1993. The journey took a major leap in the year 1999 with the commencement of the first batch of the Two-Year Full Time Master of Business Administration (MBA) Programme under the affiliation of Dibrugarh University, followed by the MCA programme under the same University in the year 2001. In the subsequent years the Institution went on to introduce few more professional programme in the under graduate level such as the BBA, BCA, BALLB (Hons.), BSW BA Psychology and B.Com. The necessary approval was accorded to the Institution by the AICTE, the Bar Council of India (BCI) and NCTE in the following years. The Institution today forays into the teaching and training streams of Management, Computer Studies, Social Science, Applied Psychology, Commerce, Teacher Training and Juridical education.

Since its inception, this Institution has achieved plentiful of accolades and acknowledgements with distinctions like being consecutively declared the 7th most promising B-School in the country for a decade now, and one among the leading B-Schools in India by Competition Success Review (CSR). Then the management periodical, 'Indian Management' has ranked the Institution with A3 (A Three) Grade for its overall performance in Academics and Administration. Further, it is the recipient of 'Times Best B-School Award' for consecutive years, a proud recipient of ABP News; Outstanding Institute, in East 'National Education Award 2019; an acclaimed recipient of Asia's Education Award 2019; by International Brand Consulting Corporation (IBCC), USA, to name a few. In 2022, the BBA and BCA programme conducted here have been ranked 1st and 4th respectively in the category of excellence by GHRDC.

With the changing times, the Institution has metamorphosed into an Institution that understands and accommodates the new age learners. The kind of nurturing it renders the new-age learners is built upon its comprehension of the current ethos. The Institution understands the trends in modern day education, and so has designed and adopted newer teaching methodologies with ready inclusion of technical aids in all the disciplines so as to augment the teaching-learning process for students; and in the course they experience exquisite teaching-learning methods in the form of case studies, role plays, management games, group discussions and presentations to name a few.

AFFILIATION & APPROVAL

NERIM Group of Institutions is affiliated to Dibrugarh University, Gauhati University and Assam Science & Technology University (ASTU) which are premier state universities by the government of Assam in the North Eastern Region of the country. The Dibrugarh University was established by the Government of Assam under Dibrugarh University Act passed by the legislative Assembly in the year 1965. The Gauhati University is the first University of North Eastern India established in the year 1948 under Gauhati University Act 1947. The Universities have emerged as centers of excellence in Assam and have been playing a dynamic role in spear heading different courses towards the growing field of professionalism in higher education.

The Institution has due approval from the All-India Council for Technical Education (AICTE), the Bar Council of India (BCI), and National Council for Teacher Education (NCTE) for professional programme such as MBA, MCA, M. Sc. (CS), LLB and B.Ed. respectively.

THE CAMPUS

NERIM Group of Institutions is currently operating from three campuses namely- Padma Nath Sarmah Bhawan Campus at Khanapara, Parukutty Bhawan Campus at Nabin Nagar, and MDRCC Campus at Mangala Nagar, Mangaldoi. The Padma Nath Sarmah Bhawan Campus is situated in an area of 3 acres of land, Parukutty Bhawan Campus has an area of half acre of land and Mangaldoi Campus is spread over 11 acres of land respectively. The Padma Nath Sarmah Bhawan Campus has quake resistant multi-storied RCC buildings designed for institutional purpose for conducting classes with technological sophistication surrounded by green lush of beauty. The premises are well equipped with Lecture halls, Conference halls state of the art Computer Laboratories, moot court and auditorium for conducting regular classes, both theory and practicals, seminars workshops, conferences, Staff and Faculty Development Programme and other different academic activities. All the campuses under NERIM Group of Institutions are surrounded by touch of greenery with ample open spaces around. Another campus of NERIM Group of Institutions is coming up on a 75 bigha plot adjacent to IITG in North Guwahati.

NERIM COLLEGE OF MANAGEMENT

FROM THE DESK OF THE HOD

Welcome to the NERIM College of Management which currently offers four courses- MBA (2 years Full-time and 3-years Part-time); BBA (3years Full-time) course approved by AICTE and PGDM 2 years course under AIMA.

Since 1999, the MBA programme at NERIM has stood as the undisputed flagship of our institution—a programme that has not merely responded to the evolution of Indian industry but has actively anticipated it. We cultivate strategic intuition through live case study sessions, high-fidelity business simulations, and boardroom-style presentations that replicate the pressures and ambiguities of real corporate decision-making. Our faculty—a judicious blend of doctoral scholars and industry veterans—deliver this rigorous curriculum within an infrastructure purpose-built for collaborative learning. The proof of our approach lies in outcomes: NERIM consistently maintains one of the strongest placement records in the region, with graduates securing positions across FMCG, BFSI, Retail, IT services, and consulting. For the serious candidate who seeks not merely a degree but a transformative career accelerator, the NERIM MBA remains the preeminent choice in Guwahati.

For working professionals, the MBA Part-Time programme offers a strategic advantage that no other institution in the region can match: the ability to earn the same rigorous degree, from the same faculty, using the same curriculum, without career disruption. The PGDM programme at NERIM, approved by AIMA, offers industry-aligned, practice-focused management education with the same rigour and placement support as our flagship MBA.

Our BBA programme extends the same pedagogical philosophy to the undergraduate level, offering early-career students a significant advantage over peers in conventional programmes. We treat the BBA course as a rigorous foundational pipeline—complete with industry immersion projects, foundational courses in data analysis and consumer behaviour, and mentorship from the same faculty who teach our postgraduate students. This continuity ensures that BBA graduates from NERIM enter either the workforce or higher education with demonstrable analytical and communication competencies that provides them the competitive edge over others.

To the prospective student: you stand at a critical inflection point in your career. The choice you make today will determine not just your first job, but your long- term trajectory. Choose a programme that offers legacy, rigour, and results.

I look forward to welcoming you to our campus and to the next generation of business leaders.

Warm regards,

Dr Karabi Goswami

DUAL SPECIALISATION (OPTIONAL)

After completion of Module 4, one is allowed to take up another specialization.

ELIGIBILITY

Any graduate in 10+2+3 pattern from a recognized University with a CAT score or minimum composite MAT score of 400, is eligible to apply for admission into the 2 Year PGDM Program.

N.B.: Eligibility criteria and procedure for Admission is subject to change from time to time.

SELECTION PROCEDURE

All eligible candidates seeking admission into the 2 Year PGDM Program must have a valid MAT score/ICAT Percentile. Shortlisted candidates shall be required to sit for Group Discussion (GD) followed by Personal Interview (PI).

REQUIREMENT OF CLASS ROOM ATTENDANCE

A student of PGDM program shall have to attend a minimum percentage of class attendance in each paper as decided by college authority from time to time to be eligible to appear in the end-module examination.

AWARD OF PG DIPLOMA

On Successful completion of the course, the student shall be awarded a Post Graduate Diploma in Management (PGDM) by the All India Management Association, New Delhi.

BACHELOR OF BUSINESS ADMINISTRATION

BBA Three-Year Full Time

ABOUT THE COURSE

The Three-Year full-time Bachelor of Business Administration (BBA) programme serves the need of the bright, young, ambitious students who have completed their Higher Secondary in any stream and are looking for a lucrative career in business or any other profession. This skill-based program prepares the students with right kind of approach to face future challenges as competent professionals and opens up new avenues for higher studies in Business Administration and other relevant areas. The Three-Year Full Time BBA course is affiliated to Dibrugarh University and consists of six Semesters.

OBJECTIVES OF THE PROGRAMME

The three-year full-time Bachelor of Business Administration (BBA) programme aims at preparing the foundation for management training in this highly dynamic and competitive environment. The programme has the following objectives:

1. Developing the ability to recognize and analyze problems.
2. Developing analytical, decision making and problem solving skills.
3. Developing an insight into the various organizational problems in the context of changing technological, economical, social and political scenario.

AFFILIATION & APPROVAL

The Three-year full-time Bachelor of Business Administration programme is conducted as per the prescribed regulations and syllabus of Dibrugarh University.

ELIGIBILITY

A student who has passed the HS/10+2 Examination in Arts/Science/Commerce from any Board/Council recognized by the University with at least 50% marks (45% for SC/ST) in aggregate is eligible to apply for admission into the Three-Year full-time BBA programme.

SELECTION PROCEDURE

Selection for admission into the 3-Year full-time BBA programme shall be made completely on the basis of merit.

N.B.: Eligibility criteria and procedure for admission are subject to change as and when notified by the affiliating University.

REQUIREMENT OF CLASSROOM ATTENDANCE

A student of the three-year full-time BBA programme shall have to attend a minimum of 80% of total classes in each paper to be eligible to appear in the end semester examinations.

EXAMINATION (AS PER REQUIREMENT OF DIBRUGARH UNIVERSITY)

There shall be six semester examinations respectively to be conducted by the University at such dates and times as notified by the University. Each paper shall be of 100 marks, out of which 75 marks will be for the written examination and 25 marks will be for internal assessment.

AWARD OF DEGREE

On successful completion of the course, the student shall be awarded the degree of Bachelor in Business Administration (BBA) by Dibrugarh University. In addition to the BBA degree, a student shall be awarded an additional Diploma in Computer Application (DCA) from NERIM Group of Institutions.

NERIM COLLEGE OF COMPUTER SCIENCE

Message from HoD

I welcome all the students to the Department of Computer Science. Computer science is an essence of today's world. We are committed to providing not only the technical education to our students but also the leadership qualities through which they can create employment for others.

The Department of Computer Science has been established with the legacy of 25 years of academic excellence of NERIM. The sole vision of NERIM is to produce good technologies with human values and Indian ethos. NERIM focuses on holistic development of the students by a combination of both curricular and extracurricular activities. We believe that to develop a tender mind, we need to go beyond classroom teaching. and we realize that NERIM, which helps to make the students industry-ready. In computer science, students can study and apply their knowledge in understanding what computers are, as how to program them, tools to

write a program, the rules when convert ing the written program understandable by the computers, the interface between the computer and the user, the computer graphics, computer networking, managing the software database, software engineering and testing them efficiently and more. The department also takes initiative to improve the soft skills, analytical capabilities, and verbal communication of the students so that they can face the competition in the corporate world confidently.

The excellent infrastructure and teaching faculty of the best kind of the department, ensuring quality education such as interaction among students, parents, and staff, along with a training and placement cell, ensure a bright future for its students. The Department of CS is striving hard towards the goal of providing innovative and quality education with high standards to achieve. academic excellence and provides a platform for the students to achieve their career goals.

The department has a team of highly experienced and motivated faculty members who are in the process of tuning the young minds to make them globally competitive. Innovative methods of teaching and learning processes are adopted to achieve learning. abilities through practice, exposure, and motivation. Above all, the entire teaching fraternity of the Department of Computer Science looks forward to the holistic growth of the department, and they aim at doing something extraordinarily remarkable in the academic arena of computer science.

I wish all the students a great academic career.

MASTER OF COMPUTER APPLICATION

MCA 2 Year Full Time

ABOUT THE COURSE

The Master Degree Programme in Computer Application (MCA) 2 Year full time is an attempt to synchronize the newest developments in Information Technology with the current Industry Requirements. The programme is affiliated with Dibrugarh University syllabi and is approved by AICTE, MoE, Govt. of India.

OBJECTIVES OF THE PROGRAMME

MCA is a course exclusively designed to meet the requirements of IT-trained students for various organizations. The programme is extremely balanced, with a lot of emphasis given on planning, designing, and building complex commercial application software and system software, with equal importance given to functional knowledge in various areas. The two-year full-time MCA course is not just a postgraduate course; it is a complete professional grooming of the students for a successful career in the IT industry. The programme is intended to have the following objectives:

1. To appreciate the role of Computers and Information Technology in the present world, with its potential for development in the future.
2. To enable a proven level of mastery in the Operating Systems, Programming Languages, Rapid Application Development (RAD) tools, and application packages that are in extensive use in the industry.
3. To develop analytical, problem-solving, and decision-making skills that are demanded by Information Technological applications.
4. To develop all-round personality and communicative traits to meet the expectations of employees in both public and private sectors.

AFFILIATION & APPROVAL

The 2 year full-time MCA programme at NERIM College of Computer Science is conducted as per the prescribed regulations and syllabi of Dibrugarh University. The course is also approved by the All India Council for

Technical Education (AICTE), MoE, Govt. of India.

COURSE STRUCTURE & SYLLABUS

As per the regulation and course syllabi of Dibrugarh University, the 2 Year full-time MCA Programme consists of 4 semesters, each of 6 months duration, having 2 semesters per year. In addition to compulsory papers, the students are offered to select electives in each semester of the programme and shall be required to undertake a Project Work in the 4th Semester.

(As per the recommendations of the Board of Studies in Computer Science and Applications in meeting held on 28-07-2022)

ELIGIBILITY

Any graduate with or without Mathematics and scoring an aggregate of 50% marks (45% for SC / ST / OBC) from any recognized University is eligible to apply for admission into the 2-Year Full-Time MCA Programme. However, those candidates not having Mathematics as a subject during their course of study shall need to undertake an initial 1-Year Bridge Course along with the compulsory 2 years duration.

N.B.: Eligibility criteria and procedure for Admission are subject to change as and when notified by the concerned affiliating University.

SELECTION PROCEDURE

Selection for admission into the 2-Year full-time MCA programme shall be made on the basis of NERIM Entrance Test (NET) for MCA.

REQUIREMENT OF CLASS ROOM ATTENDANCE

A student of the MCA 2-Year full-time programme shall have to attend a minimum of 80% of total classes to be eligible to appear in each End Semester examination conducted by Dibrugarh University.

EXAMINATION (AS PER REGULATION OF THE DIBRUGARH UNIVERSITY)

There shall be 4 examinations including Theory and Practical in each semester; each of which 60 marks for End semester Theory exam and 40 marks for In Semester Theory. Further, End Semester practical exam covers 30 marks wherein 20 marks will be for In Semester Practical. There shall be no provision for “repeat”/ “betterment” in the sessional examination. If a student misses any sessional examination for unavoidable reasons, the concerned teacher may allow the student to appear in a separate examination at his / her own discretion. If any student fails to appear in internal assessment, he/she shall not be eligible to appear in the end semester examination of the course(s) concerned.

AWARD OF DEGREE

Successful candidates shall be awarded the degree of Master of Computer Application (MCA) by Dibrugarh University. Their result shall be declared on the basis of CGPA System.

MASTER OF COMPUTER SCIENCE

M.Sc.in Computer Science 2 Year Full Time

ABOUT THE COURSE

M.Sc. in Computer Science (CS) caters to the needs of people interested in the field of Computers. It is a 2-Year full-time Programme designed to equip the students with the knowledge and skills to develop innovative solutions which the modern computing industry requires.

OBJECTIVES OF THE PROGRAMMES

M.Sc. in Computer Science is a two year post graduate Program with the objective to develop human resources with core competence in various thrust areas of Computer Science. The Computer Science Program aims to prepare students to design and create algorithmically complex software and develop new and effective algorithm to solve computing problems, design and implement software and devise new ways to use computers.

Students attending the classes in respective Classroom and Computer Lab

The study of this course is spread over in the following order:

SEMESTER 1

MCS182101: Operating System
 MCS182102: Digital Logic and System Design
 MCS182103: Computer Organization And Architecture
 MCS182104: Programming Techniques I (C.C++)
 MCS182114 Lab I: Programming Techniques1(C,C++)

SEMESTER 2

MCS182201: Data Structures
 MCS182202: Database Management System/RDBMS
 MCS182203: Data Communication and Computer Networks
 MCS182204: Theory of Computation
 MCS182215 Lab II: Python Programming and SQL

SEMESTER 3

MCS182301: Computer Graphics And Multimedia
 MCS182302: Design And Analysis of Algorithm
 MCS182303: Web Programming Technologies
 MCS18230 E: Elective I*
 MCS182315: Seminar And Viva

ELECTIVE I :

- Digital Signal Processing
- Ethical Hacking
- Operations Research And Queuing Theory
- Embedded System
- Network Security

SEMESTER 4

MCS182401: Cryptography
 MCS18240E2*: Elective II
 MCS18240E3*:Elective III
 MCS182424: Project Work

Elective-II Subjects

MCS18240E21: Natural Language Processing
 MCS18240E22: Distributed Database Management Systems
 MCS18240E23: Data Ware housing & Data Mining
 MCS18240E24: Artificial Intelligence Expert System
 MCS18240E25: Cloud Computing
 MCS18240E26: Computer Vision
 MCS18240E27: Advanced Computer Architecture
 MCS18240E2*: Any other subject offered from time to time with the approval of the university

Elective-III Subjects

MCS18240E31: Mobile Computing
 MCS18240E32: Speech Processing
 MCS18240E33: Pattern Recognition
 MCS18240E34: Big Data Analytics
 MCS18240E35: Supply Chain & Logistics Management
 MCS18240E26: Computer Vision
 MCS18240E2*: Any other subject to offered from time to time with the approval of the university

ELIGIBILITY:

To be eligible to take admission into M.Sc. in CS, the candidates must have any one of the following:

- a. Bachelor degree in Computer Science or Information Technology (B.Sc. CS/IT)
- b. Bachelor degree in Computer Application (BCA)
- c. Bachelor degree in Science with Mathematics as one of the subjects in 10+2 or in degree level
- d. 4-Year Bachelor degree in Engineering/Technology (BE/B.Tech.)
- e. DOEACC 'A' level course after passing Bachelor degree
- f. B.Sc. with P.G.D.C.A.

SELECTION PROCEDURE:

Selection for admission into the 2-Year full-time M.Sc. Computer Science Programme shall be made on the basis of merit.

N.B.: Eligibility criteria and procedure for admission are subject to change as and when notified by the concerned affiliating University.

REQUIREMENT OF CLASS ROOM ATTENDANCE

A student of the M.Sc. Computer Science 2-Year full-time programme shall have to attend a minimum of 75% of total classes in aggregate to be eligible to appear in each end-semester examination conducted by the university.

EXAMINATION (AS PER REGULATION OF THE UNIVERSITY)

There shall be four examinations, namely Semester-I, Semester-II, Semester-III, and Semester-IV respectively, to be conducted at such dates and times as may be fixed by the University. Each paper shall be of 100 marks, of which 70 marks will be for the end-semester examination and 30 marks shall be for internal assessment.

AWARD OF DEGREE

Successful candidates shall be awarded the degree of Master of Computer Science by Assam Science and Technology University (ASTU). The result shall be declared on the basis of the CGPA system.

BACHELOR OF COMPUTER APPLICATION

BCA 4 Year Full Time (As per NEP-2020)

ABOUT THE COURSE:

The role of IT in the present professional scenario has led to the need for systematic study of computers with its diversified applicable prospects. The BCA program is designed to meet this requirement of IT professionals in different job avenues through providing substantial understanding of the concepts in key areas of Computer Science. The course also provides a sound academic base from which an advanced career in Computer Application and IT can be developed.

OBJECTIVE OF THE PROGRAMME:

1. To appreciate the role of Computer Science and Information Technology (IT) in the present world, with its potential for development in the future.
2. To enable a proven level of competence in operating systems, programming languages, and emerging technologies.
3. Packages that are in extensive use in the industry.
4. To develop an all-round personality and communicative traits to meet the expectations of employers in both public and private sectors.

AFFILIATION & APPROVAL:

The Bachelor of Computer Applications programme is a four-year undergraduate programme at NERIM College of Computer Science and is conducted as per the prescribed regulations and syllabi of Dibrugarh University.

COURSE STRUCTURE AND SYLLABUS:

As per the regulations and course syllabi of Dibrugarh University, the BCA programme comprises of eight semesters, and students are allowed different exit points with the following certification/diploma/degree:

a. 1 year: Senior Secondary School Leaving Certificate or Higher Secondary (Class 12) Certificate obtained after successful completion of Grade 12 or equivalent stage of education and/or Admission test conducted by College/University/National Level Testing Agency/State Level Testing Agency.

b. 2nd year: A certificate obtained after successful completion of 1 year (2 semesters) of the undergraduate programme or after successful completion of a diploma from polytechnics after Class X. These students are to take admission in the 2nd year within a period of three years from obtaining the UG certificate from Dibrugarh University or any other university/institution or diploma certificate from polytechnics recognized by Dibrugarh University.

- c. **3rd year:** A diploma obtained after successful completion of 2 years (4 semesters) of the undergraduate programme. These students are to take admission in the 3rd-year UG programme within a period of three years from obtaining the UG diploma from Dibrugarh University or any other university/institution recognized by Dibrugarh University.
- d. **4th Year (Honors):** A bachelor's degree after successful completion of three years (6 semesters) of the undergraduate program obtained from Dibrugarh University or any other university/institution recognized by Dibrugarh University. These students are to complete the degree within the stipulated maximum period of seven years.
- e. **4th Year (Honors with Research):** A three-year bachelor's degree with a minimum of 7.5 CGPA. The minimum entry requirement for the 4th year (Honours/Research) UG program is within a period of three years from obtaining a 3-year bachelor's degree from Dibrugarh University or any other university/institution recognized by Dibrugarh University. These students are to complete the degree within the stipulated maximum period of seven years.

SELECTION PROCEDURE

The selection of candidates for admission into the 4-Year full-time BCA programme shall be done on a merit basis as determined by the University.

REQUIREMENT OF CLASSROOM ATTENDANCE:

The Course Teacher shall be responsible for maintaining a record of attendance of students who have enrolled for the course.

All Course Teachers of college/institutions shall intimate the Principal/Director of a college/Institute through the Head of the Department concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who have less than 75% of attendance during the total number of class days.

A student who has less than 75% attendance in average shall not be permitted to sit for the End-semester examination. However, that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 75% attendance for valid reasons, on recommendation of the Principals of the College on payment of a prescribed fee(s).

The /Principals of the Colleges shall announce the names of all students who shall not be eligible to take the End- semester examinations in the various Programmes and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the concerned Course(s) when it is offered next.

A student declared as dis-collegiate shall not be allowed to proceed to the next higher Semester. He/ she shall need to pursue the Semester afresh in which he/she was declared as dis-collegiate along with the next fresh batch.

EXAMINATION AND EVALUATION:

- (a) Examination and evaluation shall be done on a continuous basis, at least two times during a Semester including the End Semester Examination.
- (b) There shall be 40%marks for in-semester assessment and 60% marks for End-semester examination in each course during every semester.
- (c) There shall be no provision for re-evaluation of the answer-scripts of the end-semester examinations. However, a candidate may apply for re-scrutiny.

(d) IN-SEMESTER ASSESSMENT:

- (i) In in-semester assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed.
- (ii) The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend in-semester assessment including appearing the sessional tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations after the end of the Semester. The Department may arrange special in-semester examination whenever necessary.

(e) END SEMESTER EXAMINATION:

- (i) There shall be one End semester examination carrying 60% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/laboratory-based examination/Project Work/Dissertation.
- (ii) The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University.
- (iii) The time given for End-semester examination for each Course shall be based on the credits/marks of the course. The duration of End semester Examination shall be of 2 (two hours) for 3 /4 credit courses and 1 (one hour) for 2 credit courses.
- (iv) Emphasis needs to be given on problem solving, application level questions as prescribed by National Education Policy, 2020. The question paper should include different forms of question.
- (f) **Confidential Works:** Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, shall be governed by the Dibrugarh University Examination Ordinance.
- (g) The mode of the conduct of the end-semester examinations of the practical/dissertation courses shall be partially external as below:
 - i. The end-semester examinations of all practical/dissertation courses shall be conducted by a Board of Examiners consisting of the internal examiner (the concerned course teacher) and an external examiner appointed by the Controller of Examinations.
 - ii. A student shall not be allowed to take more than one full course as project work in a single semester.
- (h) The mode of end-semester examination and evaluation of the Course shall be specified in the detailed syllabus of the course concerned.
- (i) End-semester practical examinations shall normally be held before the theory examinations.

(f) BETTERMENT EXAMINATION:

A student shall be entitled to take the 'Betterment Examinations' in any two of the theory courses of a single semester after successful completion of 3 years/4 years only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the sixth/eighth semester examination. Students shall have to appear in the betterment examination with the regular batch. No betterments shall be allowed in the practical/project/dissertation/internship examinations.

RESULTS AND PROGRESSION:

A candidate shall be declared as passed a Programme provided he/she secures- At least 40% of marks or 'P' grade in the 10 point scale combining both the In-semester and End Semester Examination performance. There shall be no separate pass mark for In-semester Assessment.

A candidate shall be declared as passed a semester/ programme, provided he/ she secures at least 'P' grade in the 10 point scale (given in clause) in all the Courses separately.

There may be moderation of In-semester Assessment marks/End Semester marks as and when necessary. The scaling procedure will be applied only if there are more than 70% of the students of a college whose In semester marks deviate more than 20% and will be applied college-wise. No scaling procedure will be applied for the End semester absentee candidates

The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result. A candidate who fails or does not appear in one or more Courses of any end semester examinations up to fifth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carryover course in the next regular examinations of those courses. If a candidate fails in any of the components (either theory or practical) of a course the candidate shall have to reappear in the examination for both the components.

If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/her results shall be announced only after he/she clears the courses of the previous semesters.

A candidate who fails or does not appear in one or more courses of seventh semester examinations shall be provisionally promoted to the eighth semester with the failed course as carry over course(s). If a candidate clears the eighth semester examination before clearing all the courses of the seventh semesters, the result of the eighth semester examination of that candidate shall be withheld and his/her results shall be announced only after he/she clears the courses of

the previous semester. A student must clear all his/her Semester Examinations within six (6) years for three year undergraduate programme and seven years for four year undergraduate programme (with honours/research) from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student.

A candidate shall be declared to have passed provided he/she has passed all the Semesters **and in all the Courses separately for the concerned programme.** The Controller of Examinations shall declare the results of different programmes and issue Grade-sheets. ***The merit list shall be prepared only for the regular candidates and it does not include the backlog candidates.*** The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA. Results of the candidates appeared in the Betterment or Backlog Examinations shall not be counted for the award of Prizes/Medals, Rank or Distinction.

GRADING SYSTEM

The absolute grading system shall be applied in evaluating performance of the students. The following scale of grading system shall be applied to indicate the performances of students in terms of letter grade and grade points as given below:

Letter	Grade	Grade Point
O	Outstanding	10 (Marks securing 90%-100%)
A+	Excellent	9 (Marks securing 80%-90%)
A	VeryGood	8 (Marks securing 70%-80%)
B+	Good	7 (Marks securing 60%-70%)
B	AboveAverage	6 (Marks securing 50%-60%)
C	Average	5 (Marks securing above45%- 50%)
P	Pass	4 (Marks securing 40%-45%)
F	Fail	0 (Marks securing less than 40%)
Ab	(absent)	0

The Class interval of percentage of marks shown above is based on Exclusive Class Interval Technique. For example, the class interval 50-60 includes candidates scoring percentage of marks starting from 50 upto any percentage less than 60.

Programme Outcome (Overall Results)

CGPA	0-4.0	4.0-4.5	4.5-5.0	5.0-6.0	6.0-7.0	7.0-8.0	8.0-9.0	9.0-10.0
Letter Grades	F	P	C	B	B+	A	A+	O

- (i) **Conversion of CGPA in to percentage (%):** CGPA will be multiplied by 10. Percentage of marks = (CGPA X 10)
- (ii) The Letter grade 'B+' and above shall be considered as First Class and Letter grade 'B' shall be considered as Second Class.
- (iii) A student is considered to have completed a course successfully and earned the prescribed credits if he/she secures a letter grade other than F (Failed) or 'Abs' (Absent/Incomplete).
- (iv) If a candidate secures 'F' grade in a Course, he/she shall have to reappear in the Course in the next legitimate chance.
- (v) If a student secures 'F' grade in Project Work/ Dissertation/ assignment etc., he/she shall have to re-submit it after necessary revisions. The Result shall be declared with next regular batch.

Field Work: Field work is a distinct feature and an integral part of the total MSW degree programme. Field work enables the students to integrate and reinforce the theoretical knowledge and information acquired through classroom instruction and develop skills through actual practice under competent supervision from the agency and by the faculty supervisors. 1st and 2nd semester fieldwork placements are generic in nature. During the second year, students are placed in specialization-wise organizations for the 3rd and 4th semesters. Students are required to put in 15 hours per week in the organization in which he/she is placed for work. The fieldwork component of the MSW course is organized into concurrent fieldwork and block fieldwork. The Institute has a well-organized field work programme with a well-developed curriculum. Apart from the concurrent fieldwork, the institute organizes orientation visits in the 1st semester and a rural camp in the 2nd semester.

RESEARCH PROJECT

Every student is expected to conduct research on a selected topic and submit the research report as partial fulfillment of the requirements for the MSW degree. The faculty members guide the students in the process of conducting the research. The research project is based on the application of the theory of research methodology. Three copies of the research project are to be submitted in hard-binding format at the end of the fourth semester according to the stipulated schedule.

BLOCK PLACEMENT

After the end-semester examination of the MSW course, the student is placed in an organization for a period of 30 continuous days for block field work. During this period, the student is expected to work as an intern, study all the relevant aspects of the organization, and learn to function as a full-fledged professional social worker. As per the university rules, certification of satisfactory completion of the block placement by the organization is necessary for the declaration of the MSW result and for obtaining the MSW degree.

ELIGIBILITY

Any graduate with 45% marks in aggregate from Dibrugarh University or any other university recognized as such by the University (40% for SC/ST/OBC candidates) is eligible to apply for admission into the 2-year full-time MSW programme.

NERIM COLLEGE OF SOCIAL SCIENCE

DEPARTMENT OF APPLIED PSYCHOLOGY

FROM THE DESK OF HOD

At the very outset, I convey my heartiest greetings to the students who intend to pursue the 2-year Master's course in Applied Psychology and the 4-year Bachelor's degree course in Psychology at NERIM Group of Institutions, and the four-year UG course. Applied Psychology is one of the finest programmes conducted at NERIM under the prescribed norms and regulations of Dibrugarh University, since the year 2015, and the UG course started from 2024. Some of the burning issues commonly observed among students today include unrest, indiscipline, mental conflict, high ambition, competitiveness, short-temperedness, negative thinking, disobedience, and impulsiveness, to name a few. These challenges have a detrimental impact not only on the students' physical and mental health, but also on the parents.

The study of psychology could be a medium for paving a better avenue of inculcating positive thinking, values, and holistic development of the students. On behalf of the Department of Applied Psychology, I can assure the newcomers in this programme that we will take utmost care and attention, and shall render all possible academic help and guidance to build you up as a competent individual and a disciplined human being.

NERIM GROUP OF INSTITUTION TRAINING AND PLACEMENT CELL

Message from the Training/Placement Head

NERIM Group of Institutions, Guwahati

Dear Parents, Students, and Valued Stake Holders,

At NERIM, we foster industry-aligned excellence across departments through tailored training programs to empower future professionals. To highlight department-wise support and initiatives by the Training & Placement Department, for Business Administration, we emphasize leadership workshops, corporate internships, and entrepreneurial projects; Computer Science students engage in coding boot camps, AI/ML certifications, and hackathons with tech leaders. Social Work integrates community-driven fieldwork and policy seminars, while Commerce focuses on financial modeling, GST compliance, and advanced accounting tools. Applied Psychology combines counseling simulations and mental health internships, and Law students hone skills via moot courts, legal-tech workshops, and internships with top firms.

Our campus placement process is a structured journey: from pre-placement career counseling, aptitude training, and resume-building sessions to mock interviews with industry experts, culminating in placement drives with 150+ recruiters across IT, finance, healthcare, community development, and legal sectors. The strength of our placement cell lies in its relentless focus on student readiness, robust industry networks, and post-placement mentorship. With a consistent 90% placement rate, our cell is working tirelessly to nurture talent with opportunity.

With a focus on both skill development and industry alignment, we take pride in playing a key role in shaping the future professionals of tomorrow.

Warm regards,

Mr. Sagar Saikia

Assistant Professor & Head- Training/Placement

GENERAL INFORMATION, RULES & REGULATIONS

1. Admission will be allowed in accordance with the rules and regulations of the concerned university.
2. Fees are to be paid for admission by the candidates, if selected, on the date as notified; otherwise, seats will be forfeited and filled by next candidates in the list.
3. The candidature of a student admitted into a programme shall automatically stand cancelled if he/she is found to have indulged in any criminal, anti-social, or any sort of activity detrimental to academic interest/environment.
4. No student shall be admitted and allowed to pursue more than one course at a time.
5. Apart from participating in the usual academic activities prescribed in the relevant regulations, every student is expected to participate in the co-curricular and extracurricular activities organized by the college from time to time.
6. Class attendance is compulsory. To be eligible to sit in the examination as a regular candidate, the students should have at least 80% class attendance. However, for the MSW programme, 85% class attendance is mandatory as prescribed by the university regulations.
7. A student is required to appear in the end-semester examination due at the end of the course of study. Students who fail to do so without assigning sufficient reasons to the satisfaction of the competent authority shall not be permitted to continue with their studies in the following year.
8. The medium of instruction and examination of all the courses shall be English.
9. Each academic session runs as per the norms prescribed by the respective university.
10. Students shall have to comply with the regulations of the course, rules, and orders as may be prescribed by the university & college authority from time to time.
11. A student who is found to violate college rules and orders shall be liable to expulsion.
12. If a student's involvement in any incident of ragging comes to the notice of the authority, such student would be given liberty to explain, and if his/her explanation is not found satisfactory, that student shall be liable to expulsion from the college.
13. A student who is found to have indulged in consumption of drugs or intoxicating drinks, gambling, or other immoral activities shall be expelled from the institute.
14. Corporate suits, study packs, and bags are provided to the admitted students of all the courses run by the institute in general. In addition to this, laptops are also provided to the students of MBA (F/T), PGDM, and MCA programme.
15. Students who pass BBA/BCA/B.Com./BA LLB from NERIM and rank in the Top 20 in university results in their respective programme are eligible to get a scholarship for pursuing their respective postgraduate programme at NERIM Group of Institutions.

RAGGING

Ragging in the institute is completely banned. Any violation of this rule by students will be dealt with severely. Ragging, which is a criminal and non-bailable offense, is defined in legal parlance as:

'Display of noisy, disorderly conduct or doing any act which causes or is likely to cause physical or psychological harm, or raises apprehension or fear, shame, or embarrassment to a student in any academic institution. This includes teasing, abusing, playing practical jokes on, or causing hurt to such student; or asking the student to do any act or perform something which the student would not, in the ordinary course, be willing to do.'
